

Mapping Workshop Evaluation Questions

Q1. Description of Survey

Q2. Which Expanding Access Mapping Workshop did you participate in? (Dates of workshops and participating counties provided)

Q3. In which region are you located?

Q4. Please select your program area.

Q5. Please select your position

Q6. Do you feel that this workshop provided a space for conversation, sharing, and learning that you could act upon?

Q7. If Yes: Please Elaborate

Q8. If No: Please Describe how future workshops might create this space in a more successful way.

Q9. Do you feel that this workshop was useful in helping you to identify the contexts in which underserved audiences in your county live (eat, work, play, connect spiritually, and stay healthy)?

Q10. If Yes: Please Elaborate

Q11. If No: Please describe how this workshop might be made more useful.

Q12. Did this workshop deepen and support your collective work around engaging underserved communities?

Q13. Please Elaborate

Q14. Has participating in this workshop influenced how your office works together as a team to address barriers to providing educational programming in diverse communities?

Q15. Please elaborate at least 1 example

Q16. Have you applied any of the following knowledge or skills covered in this workshop to your work within Cooperative Extension?

1	Connecting with colleagues to problem solve or network around the improvement of outreach efforts
2	Analyzing, interpreting, and combining demographic data with local knowledge in order to determine potential gaps and opportunities for additional relationship building
3	Increasing awareness of existing assets, networks, and resources in diverse communities
4	Other (please list)
5	None

Q17. If 1-4 Selected: Please share at least one example that illustrates how you have done so.

Q18. Please describe any barriers that you have encountered in applying what you learned at this workshop.

Q19. Has participating in this workshop influenced how you work with your surrounding communities?

Q20. If Yes: Please provide at least one example.

Q21. If No: Why do you believe participating in this workshop has not influenced your work with surrounding communities?

Q22. Have you reached out to new community members or partners as a result of this workshop?

Q23. If Yes: Respondents list which groups and how deeply they have engaged

Q24. In No: Please describe the barriers that still exist in terms of reaching out to community members or partners that you have not worked with previously.

Q25. Have you included learnings from this workshop in a past Success Story, Results Narrative, Impact Statement, or Civil Rights Reporting?

Q26. If Yes: Please specify the type of document and the year it was submitted.

Q27. If you have additional comments, learnings, questions or feedback you would like to share, please feel free to do so here
